nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

From Text to Understanding Miloš Švaňa, František Zapletal, Miroslav Hudec, 2025-09-26 Social media and other sources of text data are still underutilized resources in public decision making Most public organizations and governmental bodies rely mainly only surveys interviews and other traditional methods for gathering opinions One issues is a lack of easy to use tools for mass text data processing that would enable these organizations to process and understand this type of data This book introduces a novel text data analysis framework designed for public decision making specifically on the level of municipalities The framework combines sentiment analysis with topic modelling and a fuzzy based approach for capturing the diversity in sentiment arising from the fact that different people have different opinions on a given topic The book is recommended for practitioners in public decision making as well as researchers analyzing large amounts of text data in order to understand people s opinions

Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology
